Greetings:

As Mayor of the City of Atlanta, it is my pleasure to congratulate the Harris-Gude Foundation, Inc. *2017 Ten Years, Ten Lessons* honoree, Becky & Jeff Lamont.

Founded in 2002, the Harris-Gude Foundation, Inc. was created to provide support and distribute valuable information to parents with children who have special needs. Founder K. Gude reflected on her own experience to help others in a similar situation overcome obstacles and obtain information to provide a better quality of life for their children. The *2017 Ten Years, Ten Lessons* is a professional networking and informational seminar opportunity that recognizes individuals that have made significant contributions within the special needs community.

I commend Becky & Jeff Lamont for utilizing their years of experience as President and Founder of Pathways Behavioral Consulting, LLC. Their tireless work as an advocate for individuals and families who require assistance with special needs demonstrates their dedication to the community. We acknowledge and appreciate Becky & Jeff Lamont's generosity to devote their time to educating organizations, corporations and non-profits on the challenges these families face each day.

On behalf of the people of Atlanta, I again congratulate Becky & Jeff Lamont on achieving this admirable distinction.

Sincerely,
