

Pathways Autism Center Expanding Center-based ABA Therapy Services with Opening of New Sandy Springs Location

Pathways Autism Center, a leading provider of ABA therapy services in Georgia, is expanding their center-based services with the opening of their 2nd location in Sandy Springs. The opening is set for February 2019.

SANDY SPRINGS, Ga. ([PRWEB](#)) January 10, 2019 -- Pathways Autism Center (PAC) is proud to announce the expansion of their center-based ABA therapy services with the opening of their new Sandy Springs, GA location.

Becky Lamont, President and Founder of Pathways proclaimed, “We are thrilled with this opportunity to expand our services into Sandy Springs. Our mission is to enhance the lives of individuals with autism and developmental disorders through the provision of excellent evidence-based educational and behavioral services. We are preparing these children to be independent and successful in all environments. Our emphasis is on teaching critical language, communication, socialization skills, and adaptive behaviors to help set up each child for success.”

Pathways is a leading provider of applied behavior analysis (ABA) therapy services and currently serves clients in clinic, home, school, and community settings. Pathways was recognized as a top 10% provider nationally by the Behavioral Health Center of Excellence (BHCOE). The award celebrates exceptional special needs providers that excel in the areas of clinical quality, staff satisfaction, and qualifications and consumer satisfaction.

“Pathways is committed to helping as many children as possible. This new facility will allow us to make an even larger impact on Georgia families,” said Becky Lamont.

Pathways is currently enrolling clients for their Sandy Springs and Marietta locations. Please call to schedule a tour at 678-691-2206 or email at info@pathwaysbehavior.com. You can also visit pathwaysautismcenter.com for more information.
